To

The Firms dealing in Electrical Materials.

Enquiry No. 1011.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

(1) The prices you quote should hold good for a period of one year from the date of order and no enhancement thereof will be allowed during the period of contract.

(2) The quantities noted in the schedule are only approximate and the contract will be deemed to be limited to such quantities as are actually drawn during the period of contract.

(3) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

Your quotation should be superscribed “Quotations for electrical materials to the College of Engineering and School of Engineering.”

This enquiry will be closed on the 28th August 1934.
